AXON Partners strengthens team with Principal hire

AXON Partners expands its team with the addition of a new senior professional, Vincent de Boursetty, who joins as a Principal.

Zug, January 9, 2018 - AXON Partners, an established fund placement agent and secondary transactions advisor with offices in Switzerland and the UK, announced that Vincent de Boursetty will strengthen the AXON team joining the Swiss office as a Principal.

Vincent de Boursetty is joining as a Principal in Zug, Switzerland. Vincent has 12 years of corporate finance and private equity experience. Prior to joining AXON, Partners Vincent worked at London-based corporate finance advisory firm Ondra Partners where he was in charge of a variety of M&A and capital markets advisory mandates for large cap and private equity clients. Vincent started his career at Société Générale as an investment banker.

Dominik Meyer, Founder and Managing Partner at AXON Partners, says: “This hire further strengthens our team and we are delighted to attract an individual of this caliber. Vince’s corporate finance and M&A experience gives complementary skills to our team and will significantly enhance our placement capabilities and secondary transaction services.”

About AXON Partners:

AXON Partners is an independent management-owned financial advisory firm offering fund placement services and secondary advisory services. AXON Partners operates from two offices: its headquarters in Zug, Switzerland and London, UK. It focuses on limited number of assignments each year to assure high quality standards and effective execution. Since its formation in 2003, the firm has been involved in more than 30 private assets fundraisings and advised on secondary transactions in excess of €3.5 billion.
